

CODE ORANGE = NON-LETHAL INTENSIVE HARASSMENT.

11/7/05 6:44am

Jay

"We were very at 4 am because the head of the factory FBI wants you dead." [Immediately started AFTER reporting for missing.]

6:05am

FBI electronic ~~surveillance~~ <sup>multifac starts</sup>

6:05am

I wake up

6:08am

I contact ET

ET says "no" when I ask him to turn his mass down.

6:15am-6:40am

I try to sleep under FBI multiresource sleep deprivation after

FBI sleep deprivation attack using heavy electronic ~~surveillance~~ <sup>publicizing</sup>, FBI electronic warfare team ~~used~~ <sup>sound harassment</sup> & individual harassment. (I went to individuals who I trust excepting.) Play sound harassment <sup>from</sup> BT's voice.

6:49am

FBI harassment moves

Someone in the FBI SID called at a ~~time~~ <sup>time</sup> FBI SID. "E-b-b-a-r-a-s-s-e-d-d-i-s-t-r-i-b-u-t-i-o-n-a-t-t-a-c-k" "I'll contact" <sup>because</sup> ~~because~~ probably, exchange Rats between <sup>because</sup> ~~because~~ more irritating. "B2 is starting leaving", B2 counterattack. "Yes, did you ever mean the FBI or the FBI SID directly wants no dead?"

6:51am

B2

"Um, yes, claims B2."

Ed

"Any special instructions?"

6:52am

B2

"We're supposed to hit you with all we've got, according to the FBI SID director."

7:19am

B2

"We don't want you parties this [website when] one-time soon. Now here's the problem: once you part of we will pound the ~~crap~~ <sup>crap</sup> out of you."

11/7/05 7:22am

B2

"Survivor for Ed Harding, ~~the~~ [FBI SID agent] B2 claims, because B2 thinks that is the wrong way to do it."

B2

"B2 thinks that was stupid of you to write that down."

Ed's note

NOTE: Much FBI harassment is "unprofessional or 'scat'", for example "fuck you, suck me" [repeated].

7:27am

Tny

"Thinks how fucking tired we are. We don't get any sleep during these <sup>[FBI "kill venters"]</sup> ~~these~~ <sup>parties!</sup>

7:37am

Tny

"Tny is very unorganized in this."

7:40am

B2

"You can't believe how fucking winter this is for us."

8:14am

B2

"Thinks how fucking pissed off the head of this place is ~~is~~ [the FBI SID] is, because no <sup>one</sup> ~~one~~ will do any fucking work any more. complainer B2." [immediately returned AFTER laughing]

8:38am

B2

"We usually start at 6am!"

8:50am

Tny

"Thinks not our fucking responsibility [practice more at FBI SID systems]. We're just fucking individuals collecting money from the FBI SID to prosecute people the FBI SID doesn't like."

11/7/05

9:01 am

B2

"R, wanted us to make it say too. I told you not."

9:04 am

B2

"B2 will not retract that statement [about an April 2009 alleged rape and harassment victim suicide/ poisoning in San Francisco by Tay, B2, Dotay, ~~and~~ and R. ]"

B2

"I hope you let Howard know that"

Ed

"No, not really."

9:05 am

B2

"God damn you, Mr. Howard, that was a big mistake."

~~9:06 am~~

Tay

"Here's the ~~fact~~ factoring problem. We may try to block your website posts for awhile." "~~From here~~"

9:07 am

Tay

"For a long while." [implied]

9:09 am

B2

"Here's the factoring problem. Think just how quickly we can get out of hand as a team."

B2

"That's the factoring problem. It [the alleged FBI SED same rape in San Francisco in April 2009] really happened, admits B2."

B2

"And B2 will not even retract that statement"

9:20 am

B2

"B2 will not retract that statement" [Then he retracts R & Tay - they will retract statements.]

11/7/05 9=29am

Jay

"The functions ~~director~~ [FBI SID] director said if we've stepped ~~back~~ to do it and you've stepped ~~back~~ to <sup>we report</sup> it [the released FBI SID says was in April 2004], we've not seems to stop you."

9=42am

B2

"We might want to try to ~~fracking~~ kill you for real."

9=43am

B2

"That's how fracking stopped the FBI SID ~~it~~, claims B2."

9=48am

B2

"Here's the problem. We might even try to delete know to let. We might even try to delete a lot of files. We might even try to kill you and destroy your website. You might even consider a code red alert."

9=57am

Jay

"We're not fracking buddies. We can actually ~~frack~~ hit all those fracking [P.E.] windows if you're logged on [to the Internet]."

9=52am

B2

"That's a Jay Pendleton quote, because B2 doesn't want to take any responsibility for that at all, your honor."

9=53am

Jay

"And you are a fool for ~~saying~~ <sup>saying</sup> that, B2, claims Jay Pendleton"

9=54am

B2

"The [Ed Hendry] is just going to let you [FBI SID] make fools of ourselves."

8=57am

B2

"That's exactly how fracking passed off the whole fracking federal government is"

11/7/05

9:57am

seems to be. [An innocuous intermediate quote from B2 just before I posted my website release.]

9:58pm

B2

"That's [intermediation is] exactly what they pay us to do, claims B2" [intermediation is at 11:25am] B2

9:59pm

B2

"B2 is not happy and B2 would like another job visit soon."

Ed

"I know you're not going to do it, but if you throw yourselves on the mercy of the court, you might get a much lighter sentence."

10:01am

B2

"We might set a month lighter sentence, admits B2. And you're going, well you're going to do it, admits B2."

[Extracted by B2 after Ed <sup>reminded him</sup> admitted that he admitted he was guilty.]

10:04am

Tay

"That's the problem. Apparently of [FBI SIP technology] doesn't <sup>block</sup> website postings."

Ed

"So you tend to block the [website] <sup>posts</sup>?"

10:05am

Tay and B2

"No. We just want to complain about our lack of ability to block the website posts" [Ditz, also complains at 11:25am]

10:07am

B2

"That's what they should focus on. They should focus on shutting down the FBI SIP ~~and~~ and focus on AI Onada. [Extracted]"

11:08am

Ditz

"Shut down the FBI!" [Upated] [then what?]

10:07am

B2

~~B2~~ B2 extracts

10:20am

Ditz

Ditz extracts too.

11/7/05 10:19 am

New tenant

new tenant in the room next door to me has his fan on the hallway (and his lamp fan is transported by FBI SID electronic workers). He just started playing a loud recording, music/TV. [He ~~was~~<sup>moved</sup> in last night.]

10:58 am

B2

"He [an alleged FBI SID independent contractor] wasn't so worried about [person] says or something. That's how stupid he is not. It's a mistake you still do, think B2."

Ed's note

[I just log this FBI SID bullshit, I don't believe it. -Ed's note.]

10:59 am

B2

"That's exactly what I'm supposed to do. Is feed him bullshit."

11:01 am

B2

The ~~the~~ [FBI SID] electronic worker team [from another FBI basement floor that does TV radio targeting ~~to~~ include video electronic movement] doesn't even want to say another word until they say remove the fan from the hallway.

11:08 am

B2

"The head of the FBI SID now want to shut down the FBI SID and fight Al Qaeda. we now claim," [Ed's note]

"Um, immediately retracted, by the way."

11:09 am

Try B2

FBI workers. "Bullshit!" [Ed's note].  
TV radio disruption  
FBI electronic worker team got back to work

11:10 am

11:14 am

ETC, wherever

I'm not sure, but I believe ETC was locked in the downstairs bathroom for a while. I think he just left there ~~and~~

11/7/05

11:41am

but I'm not sure There is no sound  
harassment currently coming from ETC room.

11:47am

live in-person argument

"You bastard. That's exactly how facts  
passed off our team is. There's support  
to be harassment coming from extra room.  
The new tenant tells me I will have to  
"adjust" to his loud noise. I tell him  
I need peace and quiet and ~~but~~ if he  
needs a noise place he should find it  
elsewhere. And I tell him to leave me  
alone.

12:57pm

Misbehavior, new punishment, variety  
police harassment, recording ~~start~~ TV music  
started in the new tenant room, and  
FBI harassment.

12:59pm

Date, turn on, turn off

[Obscene request] (insult.) [S.M.C.]  
~~FBI~~ FBI electronic warfare harassment  
started again. ETC harassment disrupting  
through electronic warfare is also being  
used, in addition to sleep deprivation  
(only 5 hours sleep). I'm told I will  
be permitted 4 hours of sleep tonight  
(~~cannot~~ probably, according to FBI SID  
internal regulations limiting FBI SID  
electronic warfare/texture). I hope  
to sit as much sleep and free time as  
possible, but I'm not counting on it.  
I might need to go to RED ALERT  
soon if I can't even sleep tonight.
